

## QT-6126A Flat Type Antenna Coupler

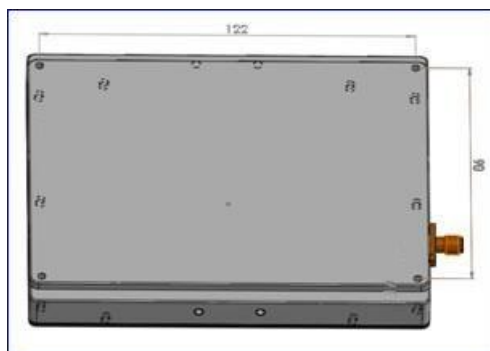

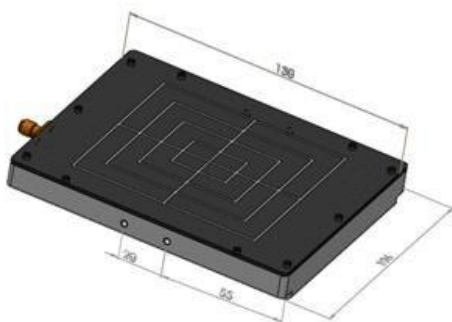

### 1) Specification

|                 |                            |
|-----------------|----------------------------|
| Frequency Range | 800~~6000MHz               |
| RF Connector    | SMA(f)                     |
| Dimension       | 106(W)x130(D)x17(H)mm      |
| Weight          | 340g                       |
| Terminal        | 50 ohm                     |
| VSWR            | better than 1:2.5 (typ1.8) |
| Polarization    | LHCP                       |

### 2) Typical VSWR Data of QT-6126A

| QT-6126A | 800MHz | 1.9GHz | 2.4GHz | 5.8GHz | 5.8GHz |
|----------|--------|--------|--------|--------|--------|
| VSWR     | 2.2    | 1.65   | 1.45   | 1.55   | 1.58   |
